

UK300[®]

A new
chapter
unfolds...

 **SUBARU**[®]
PROVEN THE WORLD OVER

UK300

Like some of its illustrious limited edition forebears, the WRX UK300 reveals its rallying pedigree with a distinctive WR Blue livery.

To enhance the effect, there are distinctive 18" gold Prodrive OZ Racing 10-spoke alloys, with 255/40 Pirelli Rosso P Zero low-profile tyres. While the flourishes of designer Peter Stevens are evident from the rally style front air dam/lip spoiler and headlamp clusters, to the high-rise WRC-inspired rear spoiler.

Other highly visible differences include white side garnishes, indicator sets and colour co-ordinated Lux

suede® seats throughout.

Discreet though the Prodrive badging may be on the rear spoiler, there's no doubt what you're driving. Besides the numbered plaque inside, there is a UK300 motif on top of the turbo intercooler, as well as to the sides and rear of the body, and on the front carpet and boot mats.

What could be more fitting as a salute to such an incredibly individual vehicle, developed especially for and only available in the UK?

The on the road price for the standard WRX UK300 is £24,995.

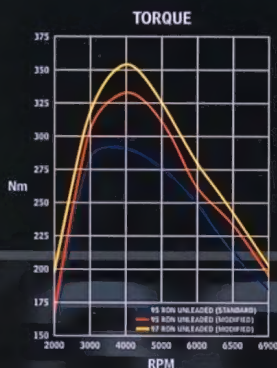

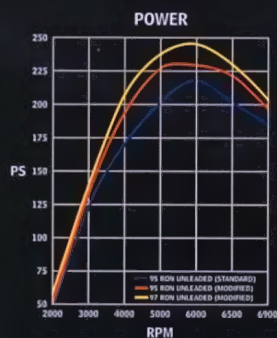

WR Sport Performance Pack.

The WR Sport Performance Pack increases the already awesome performance even further.

It consists of a revised engine management system including special intercooler piping complemented by a high performance stainless steel exhaust muffler. Power and torque are increased in the 2,800 to 5,500 rpm mid-range with a 25% increase in acceleration in the 30-70 mph and 50-70 mph bands.

The WR Sport Performance Pack increases power to 230 PS using 95 Ron unleaded or to 245 PS using 97 Ron unleaded.

If you specify this very individual performance pack at the time of ordering, the on the road price will be £26,595. Please consult your local Subaru dealer for details.

Steeped in tradition. Draped in distinction.

Accessories for the UK300.

Front Strut Brace

Rear Cup Holder

Carbon Effect Dash Panel Kit
Carbon Effect Gear Knob
Carbon Effect Handbrake Lever

Wood Effect Dash Panel Kit
Wood Effect Handbrake Lever

Stainless Steel Entry Guard

Please note that these accessories are NOT included on the standard Impreza WRX UK300.

A more extensive range of accessories and modifications will be available for you to personalise your WRX UK300 even further. Please consult your Subaru dealer for details.

UK300

A car only for the UK.

UK300[®]

This new limited edition Subaru Impreza celebrates British expertise in World Rallying technology.

Bred out of careful collaboration between Subaru (UK) and Prodrive, the WRX UK300 is the product of immense experience gained on the world's toughest rallies. Developed specifically for the UK, and honed by the people who develop the works cars, this is the latest in a short but infinitely distinguished line of Impreza limited editions – all eagerly awaited by those who know a potential classic when they see one.

Sharing the world rally car's genetic code of a 2 litre horizontally-opposed 'boxer' engine, full-time All-Wheel Drive and a totally symmetrical drivetrain layout, WRX UK300 has the lower centre of gravity and inherent stability that marks out every Impreza. But then, it adds unique styling touches by Peter Stevens – designer of the World Rally Championship car.

Distinctive it undoubtedly is. Which is why each model is individually numbered. Should you be fortunate enough to acquire one, you will not only possess a real driver's car, but also a road-going tribute to the best of British brilliance in World Rallying.

Specifications

DIMENSIONS & WEIGHT	OVERALL LENGTH mm	4405
	OVERALL WIDTH mm	1730
	OVERALL HEIGHT mm	1440
	WHEELBASE mm	2525
	TRACK: Front mm	1485
	TRACK: Rear mm	1480
	MIN. GROUND CLEARANCE AT KERB WEIGHT mm	155
	KERB WEIGHT kg	1385
	GROSS WEIGHT kg	1820
	PAYLOAD kg	435
	TOWING: Nose weight kg	75
	TOWING: Braked kg	1200
	TOWING: Unbraked kg	500
ENGINE	TYPE	TURBO DOHC WITH INTERCOOLER
	BORE x STROKE mm	92 X 75
	DISPLACEMENT cc	1994
	COMPRESSION RATIO	8.0
	FUEL SYSTEM	MULTI-POINT FUEL INJECTION WITH 3 STAGE CATALYTIC CONVERTER
	FUEL TANK CAPACITY ltr (imp. Gal)	60 (13.2)
	FUEL GRADE	95 RON UNLEADED (MIN)
PERFORMANCE	MAXIMUM OUTPUT PS @ rpm	218 @ 5,600
	MAXIMUM TORQUE Nm @ rpm	292 @ 3,600
	MAXIMUM SPEED mph (kph)	143 (230)
	0-60 mph seconds	5.9
